NSA Washington, Bldg. 101 - Training Room 110

- Pre-Separation Counseling
(To be conducted by Navy Career Counselor)
- Veterans Affairs Benefits and eBenefits
- Financial Planning
- Certification & Training Resources
- Department of Labor Employment Workshop
- Federal and civilian job search techniques
- Career Track Options
- Military occupational code crosswalk to civilian workforce terms

Parking is available, but all must register with FFSC

Workshop is open to all active duty military getting ready to retire or separate.

Dress: Business Casual

Items to Bring: Fully charged laptop, resume, and a great attitude!

Classes are subject to change.

Please call to sign-up and reserve a seat for all classes. Space is limited and mandated Pre-separation Briefing must be completed prior to registering for the workshop. For more information, call Fleet & Family Support Center 202-685-0229.

This workshop is designed to meet and assist service members with their Career Readiness Standards (CRS) and career decisions that will greatly effect their career outcome in their next phase of their lives. Services members will be guided through the transition process from military to civilian life. Spouses are encouraged to attend, but must be registered.
