# Family ENGAGEMENT Program

*Navy Child and Youth Programs*

## Welcome

Welcome and thank you for being a part of our Navy CYP family! We would like to encourage you to be an active partner in your child's program. When you are involved in your child's experience, it not only increases the quality of our programs, but it's also very rewarding for your child. Through our Family Engagement Program, CYP strives to partner with you and identify opportunities for you to share your talents, abilities, knowledge, and skills!

## Overview

Family engagement opportunities are designed to actively engage you and encourage ongoing participation in CYP activities and in your child's program. The program offers you opportunities to build relationships with the staff, become familiar with how our programs operate, and allow you to be involved in your child's ongoing growth and development.

## Points and How They Turn Into Discounts

You can earn points, or CYP Rewards, by becoming involved in a wide range of activities or events with your children. The program offers different activities daily, so there are plenty of opportunities! The CYP Rewards are measured by the amount of time that you spend participating in the activity (one CYP Reward for one hour) and the activity itself.

When you accumulate a total of 10 CYP Rewards, you will receive a \$30 discount on your next military child care fee.
