PHILOSOPHY

Navy Child & Youth Programs (CYP) provide high quality educational and recreational programs for children and youth. Teams of caring, knowledgeable professionals plan developmentally appropriate programs are responsive to the unique needs, abilities, and interests of children. Our staff fosters a sense of independence, trust and responsibility within each child through understanding and respectful interactions. Likewise, through positive relationships, our programs respect and support the ideals, cultures, and values of families in their task of nurturing children and youth. We are advocates for children, families, and the child and youth professionals within our programs and surrounding communities.

SCHOOL AGE CARE

School Age Care (SAC) programs provide quality out-of-school activities for children in kindergarten through 12 years old. Our programs are designed to enhance rather than duplicate the school day, and we work with dynamic organizations such as the Boys & Girls Clubs of America and 4-H to offer the best programming. Programs vary by installation, so check with your local installation for details.

**Navy SAC programs are DoD certified and nationally accredited by the Council on Accreditation (COA).*
